Dear Jim:

On behalf of the STBTC staff, I am delighted to report that the KSAT-sponsored *Eighth Annual Project Corazon Blood Drive and Marrow Registration*, held last Saturday, March 9, was an overwhelming success! During the eight hours of the drive, the STBTC staff collected 583 blood donations and registered 194 volunteers in the National Marrow Donor Program.

We are deeply indebted to KSAT 12 for the outstanding support you and your staff gave the drive, and we want to thank everyone involved. Jim Hart, Jim Boyle and Karel Davis did an outstanding job of making all the arrangements for the public service announcement, the spots on Good Morning, S.A. and the evening news stories. We also want to thank Don Survey and Mark Kravitz for producing a wonderful PSA in the Children's Cancer Unit at Santa Rosa Hospital. We appreciate the heartwarming stories by Angela Vierville and Denise Valdez. Both Angela and Denise were great to work with and took a personal interest in these stories. Thanks also goes to noon news anchors, Tiffany Mock and Ted Garcia.

Thanks again to all the professionals at KSAT 12 who shared their time and talents to make *Project Corazon* a huge success. We look forward to continuing our relationship in the future.

Sincerely yours,

Dear Mr. Joslin:

On behalf of the San Antonio Chapter of the National Society of Hispanic MBAs, we would like to thank the KSAT-TV organization, Denise Valdez and Josie Dos Papas for arranging for Denise Valdez to talk to our group yesterday.

Denise Valdez is a very lovely and talented lady. We believe that Denise is a great asset to KSAT-TV and we sincerely appreciated her visit to our chapter's bi-monthly meeting. She truly impressed our audience with her articulation, candidness, humor and down-to-earth style. Having persons such as Denise in the KSAT-TV organization, reinforces our view that it is a top quality television station. As residents of San Antonio and fans of your television station, we are proud to have such a personality in front of, and away from, the camera.

We would also like to commend Josie Dos Papas for her efforts in securing Denise to speak to our organization. I realize that there are many schedule conflicts and many significant commitments that are imposed on television personalities, but Josie was there to ensure that our organization was taken care of. In our opinion, KSAT-TV's spirit of professionalism and dedication to work were demonstrated in Josie's efforts.

Dear Jim Joslin and Preston Jones:

On behalf of the Board of Directors, I would like to take this opportunity to personally thank you both. KSAT's *Hope for the Holidays* fund-raiser gave an opportunity for the community to make contributions to the San Antonio Fire Fighters Burned Out Survivors' Fund (BOS).

and

We collected \$6,742.33 for the 18-hour period that we collected donations in front of Fire Station No. 4. This endeavor was very successful and we just do not know how to thank KSAT enough. The funds collected will ensure not only the success of the BOS program, but will enable us to expand our resources to help those afflicted by fire.

The KSAT staff we worked with were wonderful and great. If it were not for them, the *Hope for Holidays* would not have been a success. Please give our thanks to Jim Hart, Bob Salter, Jeff Brady, Tiffany Moc, Ted Garcia, and the video and technical support teams.

In closing, we want you to know that we helped more than 200 individuals during calendar year 1995 and spent nearly \$13,000 in assistance. As compared to 1994, we disbursed more than \$16,000. We are glad to see the decrease in 1995, but as you may know, more fires have occurred in the first few days of 1996 as compared with the first few days in 1995. We hope this is not an indication of how the rest of the year will be, but thanks to KSAT, we are ready to provide assistance.

Sincerely,

The Board of Directors greatly appreciates your support.

Jim Joslyn KSAT-TV 12 General Manager 1408 N. St. Mary's San Antonio, Texas 78215

Dear Mr. Joslyn,

Thank you for helping us stuff a bus for education — not once, not twice — but seven times. KSAT-12's live broadcasts and promotional efforts were invalueable in soliciting community support for *Project Stuff the Bus* This year's donations lead to a cumulative total of well over \$100,000 worth of school supplies since the project began five years ago. We couldn't have done it without you.

The school supplies have already been distributed to over 4,000 economically disadvantaged children in 32 local schools through Communities in Schools of San Antonio, a dropout prevention agency.

Once again thank you for helping to sponsor the event and we look forward to working with you for the sixth annual *Project Stuff the Bus*.

The purpose of the panel was to help educate community groups about how to work effectively with broadcasters. The session was attended by over 60 representatives of local groups who work with media.

I moderated the panel, and I just wanted to let you know what an outstanding job Angela did. Thank you for allowing her to take time away from work to participate. Dear Mr. Joslyn,

Thank you so much for your generosity in helping to bail Nancy Martinez and me out of 'jail' for the March of Dimes 1998 Jail & Bail event. Your \$100 contribution meant we only remained 'behind bars' for three hours! However, more importantly, it helped the March of Dimes raise more than \$10,000 in pledges! That was the organization's goal.

As you know, the March of Dimes is a national voluntary health agency, committed to improving the health of babies here in our community, and around the country.

I cannot thank you enough for KSAT's generous donation!

Dear Friend,

From the bottom of my heart, I thank you for your recent gift of \$100. As a caring friend of St. Jude Children's Research Hospital, you are helping us make a vital difference in the future of all the children we treat here.

Spring is here, and most children are playing outside in the sunshine. But the children of St. Jude don't feel like playing. Many of them are simply fighting to stay alive against a silent killer -- a killer we call cancer.

That's why your generosity is so appreciated. Your gift is giving St. Jude children a chance at life, and it's helping our scientists and doctors continue the research that we hope will lead to a cure for cancer. And maybe, one day soon, all the children of St. Jude will have their day in the sun.

For the children,

Marlo Thomas

P.S. St. Jude Hospital couldn't save the lives of so many children without the help of special people just like you.
